What is digital TV?

Digital TV is simply the best way to watch television. You can look forward to pin-sharp pictures and great quality sound. Best of all, there's a whole new world of exciting channels and services to choose from.

What is ONdigital?

ONdigital is the simple solution to multi-channel digital television. That's because it comes through a normal TV aerial so you don't need a dish or cable.

Introducing ONdigital Prepaid

ONdigital Prepaid is new from ONdigital. For a single one-off payment you can choose any six of ONdigital's exciting Primary digital channels listed on pages 4-5* - Prepaid for a whole 12 months. That makes it the easiest way to enjoy digital television.

Why choose ONdigital Prepaid?

It's simple: Just a single payment - no direct debits, no complicated forms.

It's easy: Digital TV through a normal aerial - no dish, no cable.

It's a free box: FREE ONdigital box for as long as you subscribe to ONdigital.

It's UEFA Champions League: Exclusive action from the UEFA Champions League for FREE as an ONdigital Prepaid customer.

It's quick: Simply plug in for digital TV within minutes. No waiting for installers to call.

It's great choice: Choose any six exciting channels from ONdigital's Primary channel line-up listed on pages 4-5*.

It's all your favourites: FREE access to all the Free-To-View channels you know and love (BBC ONE, BBC TWO, ITV, Channel 4 and Channel 5) in superb digital quality, plus all the new digital channels including BBC Choice and ITV2†.

It's flexible: Add extra Primary channels or our special Premium channels to your line up at any time for a modest additional payment.

It's extra: As well as digital TV you receive the new Digital Teletext service, interactive games and access to ONmail, our exciting new service bringing you email through your TV. See pages 6 - 7 for more details.

It's a gift! ONdigital Prepaid is the gift that everyone's sure to love.

*Some homes in certain areas may not be able to receive all ONdigital Primary channels. For more information, check our postcode coverage book in-store or ask your customer services assistant.

†ITV/ITV2 not available on satellite.

How to buy ONdigital Prepaid in three simple steps

1. Check your home's coverage at a retail outlet. If ONdigital Prepaid is a gift, check the postcode of the person you are giving it to.
2. Fill in the simple form with your retailer.
3. Pay for your ONdigital box, take it home, set it up and start watching!

How to set up ONdigital Prepaid?

When you get home, simply plug in your ONdigital box, choose any six of the available ONdigital Primary channels, make a quick phone call to ONdigital... and straight away you could be watching digital TV at its finest.

How to add extra channels to your line up

Adding extra channels is easy. Use the details provided in your Prepaid box to select your new channels, then call ONdigital Customer Services on 0870 600 8686.

How much will it cost to upgrade?

For a little extra each month you can watch even more channels. So you can catch everything from the latest blockbusters to live Premiership football.
